Case No.: C00-2810 CW

**CERTIFICATION OF SETTLEMENT  
ADMINISTRATOR WITH RESPECT  
TO DISTRIBUTION OF NON-3M  
PRODUCT UNDER THE SETTLEMENT  
AGREEMENT**

Rust Consulting, Inc., Settlement Administrator under the Settlement Agreement  
herein, submits this Certification pursuant to Paragraph 3.11 of the Settlement Agreement and  
Paragraph 11 of the Distribution Plan, each such document having been approved by the Court in  
its Final Approval Order and Judgment entered April 24, 2006.

Pursuant to the Settlement Agreement and Distribution Plan, I certify \$4.1 million  
in "non-3M Products" (as defined in the Settlement Agreement) was offered to participating  
charities in accordance with the terms of the Settlement Agreement and the Distribution Plan.  
None of such product was accepted. I have informed 3M of this and informed it of the total dol-  
lar amount of 3M product that it must provide in order to bring the total amount of 3M product to  
\$41 million as required by the Settlement Agreement and the Distribution Plan. I am, by copy of  
this Certification, also authorizing the Escrow Agent to return to 3M the funds held in escrow in

the "Product Purchase Account" ("together with any interest that has accrued on the unused amount") pursuant to ¶ 9 of the Distribution Plan and ¶ 3.7 of the Settlement Agreement since such funds will not be required to purchase non-3M product. (Instead the entire product portion of the Settlement will be provided by 3M.)

I also state that I have prepared the Conroy Settlement Distribution Summaries and the Geographic Distribution Summary attached to 3M's Certification dated November 30, 2007 as Tables I, II and III and that they are accurate to the best of my knowledge and belief.

This is the first annual Certification being filed with respect to the Settlement Dis-  
tribution.
